Qualifying Requirements

- **Sobriety:** You must have a minimum of 3 years of continuous sobriety.
- **Meeting Attendance:** You are expected to regularly attend both Intergroup and regional meetings. This consistent attendance is vital for fulfilling your responsibilities and staying informed.
- **Program Knowledge:** A strong understanding of the AA program and the 12 Traditions is essential for effectively carrying out the duties of this role.

Key Responsibilities

Communication
As the representative, you are responsible for maintaining a clear and consistent flow of information. You will communicate the decisions, concerns, and activities of the Edinburgh and Midlothian Intergroup to the Scotia Region. This involves preparing and delivering reports and being an active participant in regional discussions.

Present the Intergroup Report You will present a report on the activities of the Edinburgh and Midlothian Intergroup.

Collaboration
A key part of the role is working with other region reps. You will attend regular regional meetings to collaborate on matters affecting the wider AA community in Scotland. This includes sharing best practices, addressing common challenges, and ensuring a cohesive approach to service work.

Feedback
You are the primary conduit for feeding back to Edinburgh and Midlothian Intergroup. You will attend Intergroup meetings to provide updates on regional activities, relay decisions made at the regional level, and share any relevant information that affects local groups.

Information Exchange
This role involves a two-way flow of information. You will take information to the region from your Intergroup, ensuring that the voices and needs of local groups are heard at a regional level. In turn, you will bring back guidance and information from the region to your Intergroup.
